Fasteners

Precision Machined & Cold Headed Fasteners

Your comprehensive solution for precision machined and cold headed fasteners, from design optimization to production.

- In-Stock Parts Ship Same Day & Custom Parts Can Ship Within 1 Week
- In-House Engineering Services Including Rapid Prototyping, CAD Modeling, 3D Printing, Fatigue Testing, & More
- In-House Production Processes Including CNC Machining, Cold Forming, Thread Rolling, Heat Treatment, Head & Shank Slotting, Trimming & Coating & Surface Treatments, & More
- Quality Certifications & Registrations Including ISO 9001, AS9100, API, ITAR, REACH, RoHS, DFARS, NADCAP & ANAB Accredited

Stock & Custom Products

MW Components manufactures a wide variety of high-quality fasteners and metal components at high and low volumes. We offer products in a wide range of standard and metric sizes, head types, threads, materials, and finishes. We provide custom print-to-part manufacturing using our state-of-the-art equipment, allowing us to machine specialty materials and achieve tight tolerances to create the exact fastener you need.

Screws & Screw Assemblies (SEMs) 	Spacers / Bushings 	Threaded Inserts 	Standoffs 	Washers 
Studs 	Nuts 	API B7 Studs & Nuts 	NAS / MS Fasteners 	Bolts 
Long Bolts  <p>Up to 86" in Length & M16 in Diameter</p>	All Thread Rods 	Wire Forms & Pins 	Handles / Ferrules 	Locking Fasteners 
Rivets 	Retainers 	Licensed Products 	Micro Components 	Custom Fasteners
