

**Rockford Fastener**

# Mission Critical Small to Large Diameter Fasteners

Rockford Fastener has built a solid reputation for delivering quality products across several product categories over our 40-year history. Based in Rockford, Illinois, we pride ourselves on our ability to always offer excellent turnaround times, high-quality products, and customer responsiveness. We manufacture a wide range of fasteners and parts, including standard and specialized small-diameter screws, bolts, and specialty fasteners, along with large-diameter and multi-station capabilities.

# Process Capabilities

Rockford Fastener manufactures standard and specialized products for different purposes. We have small and large-diameter and multi-station capabilities that enable us to produce all products at competitive costs while ensuring quick turnarounds and on-time deliveries.
