

Stock & Custom Shim Manufacturing Specialists

Maudlin produces stock and custom shims, including shim kits and packs, thick shims, gas compressor shims, motor shims, and more. In addition, we stock various raw materials, including coiled shim stock, plastic sheet stock, tool wrap, and feeler gauge.

We also offer custom shims produced in a variety of sizes, materials, and configurations. Our custom shims are cut to your specifications using precision cutting processes like fiber laser and waterjet cutting. And we offer many optional services, including laser etching, assembly, and custom packaging. Visit maudlinproducts.com to learn more.
