

# Medical Component Manufacturing

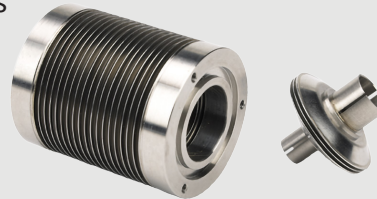

**MW Components**

## Diagnostic Equipment

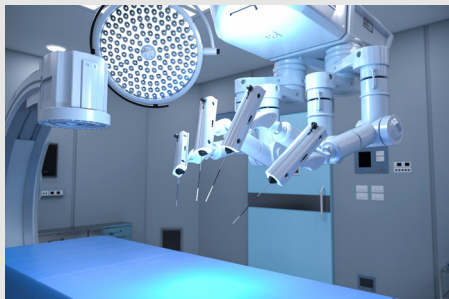

- Metal Bellows and Assemblies
- Flexible Metal Hoses
- Machined Springs
- Couplings
- Stampings
- Washers

- Electroforms
- Electrical Contacts
- Shims
- Hardware
- Fasteners

## Surgical Equipment and Robotics

- Bellows and Assemblies
- Flexible Metal Hoses
- Couplings
- Electroforms
- Fasteners
- Springs
- Machined Springs

- U-Joints
- Canted Coil Springs
- Spring Energized Seals
- Belleville Washers
- Shims
- Fasteners and Hardware

## Orthopedic Equipment

- Canted Coil Springs
- Spring Energized Seals
- Standard Springs
- Machined Springs
- Couplings, Bellows and U-Joints
- CNC Machined Parts
- Electrical Contacts

# Custom Medical Components

MW Components offers nearly unlimited custom manufacturing capabilities. Whether you need a custom springs for a drug delivery device, a battery contact, or a custom pharmaceutical screw, we can help.

## Custom Component Types

- Battery & Device Contacts
- Assembly Products
- Catheter Guide Wires
- Custom Thread Forming Screws
- Couplings & U Joints
- Diagnostic Equipment Components
- Drug Delivery System Components

- Electrical Device Contacts
- Endoscope Drive Wires
- Hemostatic & Ligating Clips
- Implantable Titanium Components
- Laparoscopic Device Hardware
- Medical Grade Fasteners
- Metal Bellows

- Micro-Wire Terminals
- Micro Screws
- Pharmaceutical Screws
- Springs
- Stampings
- Surgical Sharps & Staples
- Wire Forms
